Hi guys,

I know there are a lot of threads regarding cheating at the moment. I just want to let you know that I will be addressing you about it in 5-6 hours. You are not being ignored.

Okay, i see no possible way to prevent people from using this 'cheat'. Assuming you're speaking of the same cheat that we've discussed in IRC?

I just hope that people will decided for themselves not to pass it around - to support the future of renegade.
