I'm nearing completion of a map that has a sports arena theme to it.

If you would like to advertise your site or mod (must be renegade related in some way) as one of the banners in the arena. Post the image here, or e-mail it to me in what ever format, Cheers.

If you could also advertise our site, <http://modernwarfare.arm-ent.com> that would be great.
Thanks.

I think the first two are a bit too non Renegade related to be put into a map.
