Well, as Yano is joining the group, the creation of a third PrimeServ has been confirmed.

It's a fan map server...And we have yet, no ideas for the map rotation.

So please, send us all the ideas you have.

(9maps)

Note: Map rotation will change once a week.

Be fast! The server be on-line tomorrow!

Most of ACK's maps, minus a few of the sub-par ones.

His DM ones are always fun.

Try http://www.renbattle.com they got TONS of great maps. I like Desert_Siege2 - Recon bikes for both sides, and lots of space to let 'em rip! Wheeee!

10. C&C_DM_PowerBETA

I love that map

But it's a beta and only a few people should have the map, so no.
How about a DM map though, like Medical Level?
