Times like these make IRC worth it.

The irony of you is that you make yourself out as a bigger ass than anyone you oppose.

I'm glad some of us know better than to listen to you, Mr. Kettle. He has a valid point. Making fun of your peers to feel better about yourself is old hat now. This little battle has nothing to do with the majority of us. Give it a rest. Or better yet, save it for n00bstories.

I didn't realise that I was the one on trial here.

In point of fact, no-body is on trial.

Keep this on topic, eh?
