Welp while writing a artical on my site called THE ORIGEN OF COWMISFIT where i told where i got my name because lots of people ask me about it i got ot thinken a lot of u guys probly have a lot of good storys about how ur name came about sooo i was wonderin if anyone thought it would be cool if i made a site about where Players of the following games got there name.Please post a name for it if u got anygood ideas i was thinken The Origen of Gamer Nicks but that too long i think got any ideas?

List of the games i would cover but not limetied too.

C&C Tiberiam Sun
C&C Red Alert 2
C&C Renegade
C&C Generals
HL Counter-Strike
HL HALF-LIFE
HL Team Fortress Classic
BF 1942

p.s post any other suggestens for games if you think the site is a good idea.

Props to anyone who knows where my name came from....

(If I told you, it doesn't count)

Me thinks back to the early days of the first forum. Oh no! Memory casscade! There are old topics pouring out of green portals!

Nope can remember the topic where you revealed it so I can cheat.
