sjezk3so who are you named after ?? i wanna know now

He's not named after anyone:

AircraftkillerSo why the name AircraftKiller?

Well, that's a good question... The nickname is derived from when I was much younger, and much more stupid... I used to spend time with my friend Marshall (don't know where that guy went now) figuring out new uses for bottle rockets and other explosive devices. Eventually I settled on bottle rockets being modified to fly just a bit farther, so I started launching them at low flying aircraft. Cessnas, Pipers, etc... Never hit any, of course, but it was pretty cool.

He got the nick from shooting bottle rockets at low flying aircraft.

Quote:John Holmes, Porn Star

John Holmes was by far the most famous male porn star. His penis was 13 inches long. He had sexual intercourse with more than ten thousand women, mostly in the movies.

John Holmes died of AIDS in 1988. His obituary was published in the New York Times and in other major news publications, the only male stud ever to be so honored.

He made 2,000 full length hard core movies. New movies starring John Holmes come out all the time, mostly re-cuts of old films.

Quote:Neighborhood in shock as Aircraftkiller is accused of displaying flagrant homosexuality  
NEW YORK - A usually calm New York neighborhood is in shock this evening as one of their own has begun to display signs of flagrant homosexuality. Aircraftkiller was seen this morning talking with a strong lisp and bragging about the prior night's homoerotic adventures with a bartender referred to as "Bubba".

Police then proceeded to apprehend Mr. Aircraftkiller after the suspect threatened to strike an officer with a rubber dildo. While being taken into custody, it was reported that the suspect made repeated attempts to "tap some ass" with several police officials, but no one was available to confirm these findings.

Mr. Aircraftkiller was released from the county jail late this evening after bail of \$150,000 was posted by the suspect's friend "Bubba", who was later stopped on the street for possession of a jet-black double-headed rubber dildo.

Now that was funny ACK.

"Homeless people laugh at you."

"Seagulls target you."
