Let's give a final Memorial and a Christening to the new forums and get organized a big match of Renegade with all us forum goers! I think that'd be really cool. I pretty much only have the idea though as I don't have my own server yet... So we'd have to find one. Still it seems like a cool idea to me. Be fun to play with a buncha people from the forums. I always end up playing people I've never heard of on WOL.

Yeah, I can just see this.

All the former -WL- teammates versus the rest of us helpless schmucks.

We'd be spammed for two weeks by Demo about how much "-WL- Owns j00, and r0xx0rs"

No thanks.
