I find the defendant guilty! Of all spamming charges and condemn him *cough* it to lolaholics meetings until he shows improvement, and imitate psychiatric help for n00bieness and stupidity

Griver98: *picks nose* I'm not gwest he my friend over here!! *Puts arm around the air*

Lawyer: I rest my case :rolleyes:

So someone else at your school just happens to be into Renegade too?

Plus if you send from the same IP within a minute that says something

No, Bi-Polar is a manic depressive. Happy one minute and sad the next. He would be

Multiple Personality Disorder (Dissociative Identity Disorder) is the existence within a person of two or more distinct personalities. The different personalities are referred to as "alters". Alters may have experienced a distinct personal history, self-image, and identity, including a separate name, as well as age. At least two of these personalities recurrently take control of the person's behavior
