You know what I am talking about "AIRKRAFTKILLR YOU ARE NOT JUST A BIG JAKAS!"  
  
It was funny as hell. Where can i find that thread/file?

You mean the ACK-REPLY sound file?

<http://www.beaconpedestal.com/ack-reply.mp3>

I just tried searching for 'ack sound file' under the author 'djlaptop' and got this thread;  
<http://www.renegadeforums.com/viewtopic.php?t=325&highlight=ack+sound+file> .

Still cracks me up.
