(Yes, this thread will have meaning in a few hours, but I'll keep you guessing for now)

Stats: Dedicated server hosted by ServerMatrix.com  
16 player snipe server protected by JTeKGuard Alpha 9

You can host a much better server then 16 players, with a 10mbit port or server matrix network and there routing, you should be able to host a min of 30 players without a problem.

Either way, GJ
