Hey all,
A few moderators of mine though it would be a good idea to put custom maps, so I'm going to give it a try. If you would like a map put in my rotation mention it below and I'll try it out.

[Edit: Yes, SK, diea :rolleyes:]

They aren't really bad. Only thing I usually do is revert the purchase settings back to stock before uploading them. I hate when mappers mess with the pricing or the units.

Also sometimes its funny to look at these 12 year old threads that got bumped.
