No one is free to do anything on public forums. Freedom of Speech does not apply to things such as public forums.

ACK doesn't mod this forum, therefore he cannot delete your posts here.

DaveGMMACK doesn't mod this forum, therefore he cannot delete your posts here.

He wasn't talking about this forum, he was talking about the Mod Forum. ACK is a moderator of the Mod Forum, and therefore he CAN delete posts there.

I don't know, but it sounds pretty obvious that he's referring to the mod forum. Maybe it's just me, but if I see someone saying "... in the mod forum section" than I usually think that they're referring to the mod forum section.

It CAN be interpreted that he was making a thread here to ask for help about something relating to a mod in the mod forum.

This does not sound fair at all.

Um, sure... It could have possibly been interpreted that way, unless of course you are a normal person, than it would have been interpreted the normal way.

I talked to ACK. Quit posting multiple threads of the same thing and it probably won't happen again.
