From talking to him, he doesn't work.

He needs donations from anyone who can help him - I posted about it on C&C Den a month or two back.

Given his experience, I'd have thought he'd find it easier to get a job in the line of work he's used to. Oh well.

Calvin and Hobbes prawns all. I have nearly every book, except Revenge of the Baby-Sat and the very first book, Calvin and Hobbes.

The only comic which I consider as high as Calvin and Hobbes is Foxtrot.
