February 2004 we will organize a major LAN party in Holland, called Interclan. On this LAN ofcourse many different games will be played, but what makes it so special, is that it's an attempt to put the focus on C&C RA2 and C&C Renegade. There will be tourneys, and a lot of fun. I invite any1 who considers himself a gamer to sign up, and join the party !

Too far from where I live (I don't have a car, nor a drivers license), and I doubt my parents (and

my brother) will allow me to take our computer with me...

I always thought that a huge C&C LAN party would be really cool. They wold like play all the C&C games. From Tiberian Dawn to Renegade.

This has turned into a "everyone post where you live" thread.

As for hosting one in Arizona, I refer you to: <http://www.beaconpedestal.com/arizona.mp3>
