Are you sure you want to start yet ANOTHER mod?

I mean you obviously cannot do the major jobs yourself because you are asking others to do it.....

And people are losing interest in Renegade.....

And 99% of mod teams do not get off the ground.....

I know that many mod teams do not get off the ground but I don't really care.

I will help anyone I can, renegade is dying but we still have zero hour yet.

and im begining to make mods for that.
