... post a joke or something. Forum is so dull lately. It we're not talking about the matrix it's about video cards, coding shit, dedicated servers (oowow interesting) or how much people are proud to be American or newbies who don't know the proper rules of a forum etc. I mean zzzzzZzZzz..... anyone got anything to laugh at or find humorous?

I'll start off..

Three men who were lost in the forest were captured by cannibals. The cannibal king told the prisoners that they could live if they pass a trial. The first step of the trial was to go to the forest and get ten pieces of the same kind of fruit. So all three men went separate ways to gather fruits.

The first one came back and said to the king, "I brought ten apples." The king then explained the trial to him. "You have to shove the fruits up your butt without any expression on your face or you'll be eaten."

The first apple went in... but on the second one he winced out in pain, so he was killed.

The second one arrived and showed the king ten berries. When the king explained the trial to him he thought to himself that this should be easy. 1...2...3...4...5...6...7...8... and on the ninth berry he burst out in laughter and was killed.

The first guy and the second guy met in heaven. The first one asked, "Why did you laugh, you almost got away with it?" The second one replied, "I couldn't help it, I saw the third guy coming with pineapples."

Kirby has been posting quite a few jokes.

It isn't his fault if you don't get them

Have fun...

Do you know what I'm doing now?

Quote:A beautiful, voluptuous woman goes to a gynecologist. The doctor takes one look at this woman and all his professionalism goes out the window.

Right away he tells her to undress. After she has disrobed he begins to stroke her thigh. As he does this he says to the woman, "Do you know what I'm doing?"

"Yes," she says, "you're checking for any abrasions or dermatological abnormalities."

"That is right," says the doctor. He then begins to fondle her breasts. "Do you know what I'm doing now?" he says. "Yes," says the woman, "you're checking for any lumps or breast cancer."

"Correct," replies the doctor. He then begins to have sexual intercourse with the woman. He says to her, "Do you know what I'm doing now?"

"Yes," she says. "You're getting herpes."

Viagra and Pain Killers.

Quote:So this older guy goes to the doctor asking for a prescription for 'Viagra'.

The guy asks for a large dose of the *strongest* variety.

The doctor asks why he needs so much.

The guy says that two young nymphomaniacs are spending a week at his place.

The doctor fills the prescription.

Later that week, the same guy goes back to the doctor asking for pain killers.

The doctor asks "Why, is your dick in that much pain?"

"No", says the guy, "it's for my wrists - the girls never showed up!"

Ten Dollars is Ten Dollars

Quote:Stumpy and his wife Martha went to the state fair every year. Every year Stumpy would say, "Martha, I'd like to ride in that there airplane. And

every year Martha would say, "I know Stumpy, but that airplane ride costs ten dollars, and ten dollars is ten dollars." Stumpy said, "Martha, I am 70 years old. If I don't ride that airplane this year I may never get the chance."

Martha replied, "The ride costs ten dollars, and ten dollars is ten dollars."

The pilot overheard them and said, "Folks, I'll make you a deal. I'll take you both up for a ride. If you can stay quiet for the entire ride and not say one word, I won't charge you. But if you say one word it's ten dollars."

Stumpy and Martha agreed and up they went. The pilot does all kinds of stunts, but not a word is heard. He does all kind of twists and turns, rolls and dives. They land and the pilot said "By golly, I did everything I could think of to get you to talk."

Stumpy replied, "Well, I was gonna say something when Martha fell out, but ten dollars is ten dollars."

Some of you may have heard this one.....

Superman was flying around when he saw Wonder Woman lying nude on the beach soaking up the sun. And Superman thought to himself...

"Wow, damn! Hey I'm Superman I can go down and do my thing so fast she'll never know it was me!"

So Superman flew down and did his thing and flew back off again. Feeling pretty proud of himself he flew away.

An hour later all of the Justice League met at the hall of justice.....

Superman said, "How was everyone's day?"

Most of them said it was good.

The Invisible Man said, "I'm okay but my ass really hurts!"
