Hi everyone, i saw someone else do something similar last year or the year before. Your chance to vote for the best C&C Renegade clan there is, based on skill, teamplay, reputation etc etc.

Sorry if there isnt many WWOL clans on there, but drop me a line at philuk86@hotmail.com and il add it to the list, please include the clans homepage as well as clan tag (for others to view)

No massive conclusions will be made of this data, its just for a bit of fun, happy voting

The Best clan on that list is TA

It has a few DOA people a few OPS people and I think a few others. But they are defenetly not the best clan of the year.

Im not sure if DOA played this year or not if they did they are the #1 clan by far

If not BR is...i think...i cant think of another clan that could beat BR besdies DOA

Theres like a billion other clans.....
"General Ownage" is undefined...
And there are alot more aspects to rating a clan (General Ownage not being one of them)

But I agree with Icesword, that on that list, TA is a really strong and cool clan.

Yeah, BR is good. We (TA) beat them quite a few times, and they beat us a lot too. I think the real question here is: why are we voting on the best clan of a year that is -3 hours old?

Edit: I forgot to mention how 50 pwnd our Turret. I guess that makes BR better.
