That really wasn't too much of a flame war. It was too borken up and the only person who seemed to be throwing a big hissy fit was that diodoen guy. It really wasn't anything spectacular. I've seen far worse ones here.

No he had his buddy /page me saying that he said I was a fag. Out of the blue. For no reason. Had no idea who diodeone was, other than a point/ladder whore. After confronting him he said I should know why he hates me. Which I assume is that I "cheat." Perhaps I just owned him in some game that I don't remember, or he has a dislike of people with "C4" in the names. Who knows. Still gay that he rallies his little bitches to spam shit to me for no apparant reason.

Diodeone, fuck off. You suck.

<http://www.penny-arcade.com/images/2003/20031205l.jpg>

This is USELESS SPAM that nobody cares about. Two little girlies hinting that the other is stupid. Then making "OMG!11!!! I WILL PWN J00 1v1 !!!" insults.

Puh-Lease. Get this useless shit out of here.

Quite similar c4, I have an "aimbot" he runs in straight lines and moves side to side in the exact same pattern everytime. Easy hs lol. After playing 10000 games you'd think he would have figured it out by now.
