Ahh, sweet memories...

I was just sifting through my image gallery and can still remember the day when that the self-proclaimed genius thought it would be in his best interests to inform the public of fallacies which is based entirely on the fact that he himself got a royal ass-kicking by the FUD and the FUD members.

Ya I also recently looked through your image gallery because I say your name ont he last 15
visitors and remembered you had all those great pics. I was laughing for hours "1 r0xx0r ur
b0xx0rs!!!"...Ahh that one is great. I hope I got it right....
