Hey all,  
I need all of my mods to email me at k9cowreport@hotmail.com  
DOM\_xboomsX helped me setup BR.NET and an IRC. I need your IP's to get you all back on my admin list. Also list other names you go by that you would like to use.

Again, Thanks.

K9

P.S. Sorry to the "Secret 7" when I the list is done, you will be exposed.
