Just thought that this was cool enough to point out...

Aoccdrnig to rscheearch at an Elingsh uinervtisy, it deosn't mttar in waht
oredr the ltteers in a wrod are, the olny iprmoetnt tihng is taht the frist
and lsat ltteer are in the rghit pclae. The rset can be a toatl mses and
you can sitll raed it wouthit a porbelm. Tihs is bcuseae we do not raed ervey
lteter by itslef but the wrod as a wlohe and the biran fguiers it out aynawy.

Cool, huh?

Oh well....I guess I'm behind on the news...

Anyway, I still think its neat.

j4S[p]tDtio.

Moron, you have TWO simple rules to follow when doing this and you broke them.

THE FIRST AND LAST LETTER MUST BE IN RIGHT SPOT - olny iprmoetnt tihng is taht the frist
and lsat ltteer are in the rghit pclae
