Quote:New additions to the rules:

The following subjects are not allowed because they are annoying/overused:

- * "leetspeak"

- * links to aimbots, hacks, cheats, trainers, or relays -- real or fake.

The following items are not allowed because they are inappropriate:

- * Sexual images -- including images of kissing, or nude or near-nude people.

- * Images of excrement. Some images that include blood will be OK so long as they can't be interpreted as disturbing.

This rule applies to everyone, including you j4, please remove that link from your signature.

You shouldnt be clicking a link to an aimbot anyway so if someone clicks it and it brings up what ever it brought up then its there own fault and they deserved it.
