Anyone play this game?

I was a first phase beta player, loved it, but for some reason i never bought it when it came out.

Bought the game on tuesday, loving it, already got me a bantam

And back with me old Corp

Anyone play it, looking for a corp ?

Yea, but you need either a user/pass or a cd-key to play.

Looks good, If they were offering a free trial (5 days or something) then I'd give it a go. I'm already paying for Planetside monthly so I can't really afford to pay out for another MMO game at the moment. Hopefully they will bring out a free trial as that seems to get more people to buy the game if they have played it.

Nodbuggeri got into the betetr but never took up on it.

and in FFXI i have a 13 theif and a 12 warrior.

i heard that you play the other day when the servers went down..

what server are you on? maybe we oculd hook up one day xD

im on sylph think thats the right spelling
