I have seem to lost the article but it was about a woman they stopped at a store in military uniform. When she went to her car people cursed at her and started to throw rocks at her. These protesters need to calm down and realize that this violent acts do no one any good. For they known she could have been a civilian in JROTC/ROTC as am I. I now feel diffrent when I walk me dog in my own neighborhood in uniform, but so far people greet me with a big smile and 'hello'

I agree...no good came out of stuff like that...the war has no clear answers...and turning on your fellow Americans is no way to go about it.

They should be very thankful they didn't try that with me. Then CNN would be reporting a FAR different story.

THIS JUST IN: 4 boys haospitalized. Locals applaud, while U.S. Sailor pounds hippies into the dirt in retaliation. :twisted:

Bah!

Like the 'peace protesters' in Paris that stabbed 2 Jewish boys?

Like the 'peace rally' in San Francisco where a guy got knocked off the Golden Gate Bridge?

Like the 'peace protest' in Chicago where 'peace protesters' were assaulting the police with their signs?

Peace protesters. Riiiiight. Call them what they are: anarchists, leftists, communists, etc...
