Apologies to Crimson about the bandwidth and space; but I thought these were just too good to stay offline.

<http://www.n00bstories.com/image.gallery.php?folder=807>

Post some outdoor pictures of your own if you'd like.

FerhagoYour county seems to overdo it with the driveway salt
Well atleast it's not covered in ice
Btw, that's a pic at 6 am, with those orangey street lights. Not to mention it's a somewhat busy street.
