its real, but her nipple is covered by a tassle. So its PG-13. No nipple means its ok...for some reason.

Panthers lost! 29-32

But don't worry, the south will try and beat the north tommorow, then the next day, and the next day, and the next day, and the day after that, then the next day, and the next day, and the next day, and the next day.....

Great game though, usually the Super Bowl is boorring. Real great plays on both sides.

Haha. I played 3 boards and had 7 vs.7 on two of them, so I was hoping that was how halftime was going to end (would have made \$200 combined). It was close, then they scored again and I thought I lost it, but low and behold it end up 14-10 and I had 4 vs. 0 on the \$500 board (\$125 ea. qtr.) so ended up taking 2nd & 3rd quarters. I don't think they're going to let me play next year

I meant the thread. DUH!

Man, Viacom really screwed themselves with their little halftime stunt. I didn't see it (I find halftimes boring, so I turned it off then) until later on the net.

Great game it was, really kept ya watching.

Ahh, but it wasn't a tassle - she had a really wierd nipple ring. And the nipple was showing:
