Duh, that image above was a joke. :rolleyes:

No one here is dumb enough to give you their serial number. Here's a thought, you could actually go purchase the game!

FFS

not the game serial number. just the unique serial number everyone has with every online name. and i was wanting one of the name's serial number so i can use BR. i want one cause westwood arent giving them out any more i was too late and i want one really bad.

e-mail it to me at darkskul0@yahoo.co.uk

The serial number has nothing to do with making BR .Net to work.

It is needed to get the FDS running on WOL.

ok ill be honest. i want it to get the dedicated server serial. its free i got it from game spy, but i did think you needed it for BR thats why i said BR because it is widely known

so if any 1 got a spare one i can have.

e-mail it to me plz. darkskul0@yahoo.co.uk
