So I have a ton of maps. went to cncnz.com and unrules.com. I am looking for an Alpine map. If anyone knows where to get it, I would appreciate it. And for some music to pump you up for killing in Renegade, go to <http://www.prostandz.com>. Lots of free dj mixes. OOU-Master Clan declares war on 2004!

Dickheads have my work without my Readme.txt files in them. I'd bitch about them in a private e-mail but they don't have any contact information.

Bastards.

All the people in that clan plays on GSA. They are generally nice people. If you see them on GSA I doubt it will be hard to get them to put the readme's with the files. Just look out on GSA.
