Myself, just got in from London.

Great time, and i just got out the shower to find lipstick on my boxers...

Good times

I was lonely. I helped out with the baseball team st school, came home and had to be torn away from the computer because I had nothing else to do.

lets see....

Friday night... hung out with the lil woman, bought a couple of movies, and laid in bed "little less then clothed" watching them.

Saturday... Spent the day just south of the Balboa Peninsula on the beach having a picnic with the lil woman, long enough to watch the tide come in and such, watched more movies, "even less clothed".

Sunday... went to Universal Studios with the lil woman, had a great time, just got home.
