Good tip: Do not play the clan D-E!

- 1) They block harv in begin so when everybody is in, and we all suicide, they remove the buggy and got money immediately.
- 2) Dont shut server down when we tell them to (because of 1)
- 3) They get vehicles while we are waiting for all players.
- 4) They are playing with an other clan, so they loose - win -loose - win - loose -win etc, so they will get higher in the <http://www.clanwars.cc> rankings.
- 5) DeaD0wN or something in D-E (other nick of him is Rensnipe) tells everybody that other ppl cheat, while he does...

They should get banned from clanwars.cc, they apsolutely don't play fair!
We played them a lot of times, and in about 50 % of all games, they did something wrong, like 1 and 3.

Thread Name: Admin we got a problem, D-E

"We played de (insert game size) and they got vehicals before the suicide. Then wouldnt shut down after we found out about this."

So please remove there win

"Also they were pointpushing with (instert clan name)"

That should fix the problem.

bs!!!! it wasnt our fault your player came in as soon as our harv was dropping off the money and

Deadyoe calling other people cheats.. never would have seen that coming..

Just ignore him guys, he and his clan are not good players, they will resort to anything to win and if they dont they will end up crying like little kids and posting threads like this.

My Advice: Dont play Buddie.

I don't spent any more words on a depressive frustated girl.
It would only result in more whining and bullshit.

oh no, looks like i got buddie on the defensive, you know its true dead. Was it not you who made a thread about me bullying you just because I got made a mod and you didnt? poor jealous kid. But whatever theres no point arguing about it here, I need say black cell once and all the vultures on this forum will decend. Krieg, you say everyone in buddie is better than me, then why did your clan flat up refuse to play bcnet? You say we could look at the irc channel and see your team chat, which we cant, then we offer to let you host in your laggy server, and you still refuse. Who's scared of who?

Hey I didn't say our clan members were better than all the members of BCnet. No, they are all better than you.

Most of the other BCnet members are quite good.

And about that clan match. You are a terrible liar.
Stfu.

Say what you will, I won't go saying "Oh I'm better than you all" or "I own you all" because, what's the point?

About the clan match, that's the truth, you did refuse to play us, or are you going to say Louis is a liar too?
