Reasons I restricted your account on EoE.

1. Your original challenge post had profanity in it.
 2. You threaten to hack on other forums if we don't give you a FDS Serial number.
 3. You spam forums. I removed 4 BS posts on our forum from you.
 4. You are a n00b.

I was in flaminreks first clan for a while. After 1 clan battle I quit because they suck.

So far flaminrek has made like 6 clans but everyone quits so he has to make a new one.

He only has one person in his clan with a good ranking, not the best 20 players in the world as he puts it.

I have not been in his clan for a while and he still keeps on paging me to play with him. This guy needs to get a life, lookat how many games he has played then look at his ranking. [/quote]

Ok here we go.

Firstly: I know bes and rysin thru sniping with them and they are good players. (shame they have to know you though).

Secondly: It was me that told you to go to the forums about joining EoE. (which you will never be a member of now). I was not about to get into any sort of convo whilst i was playing, and you bugged the hell out of me by paging me constantly from outside of the game just because you were kicked from it.

Thirdly: As Head of the sniping division and aow member too, i can speak for the AOW HoD and say "YOU WILL NEVER GET YOUR CHANCE TO CLAN AGAINST US"

Do us all a favour and dont play renegade, have enough n00bs in there without having to contend with you aswell.

The only reason they didn't get completely owned in sniping is because flamingrectum wasn't playing.
