I wouldn't stab anyone unless it were in self-defense. Nor would I physically attack anyone unless they posed a threat to my well-being.

Who would I stab? Nobody, unless they provoked me...and it takes some serious effort to do that. As in, slam-in-the-head-with-a-brick effort, or someone attacking my family or friends...stabbing someone is not something to be taken lightly.

I can think of a few people I'd like to meet and verbally smack down, though...the morons in the state department of education for mandating 4 years of identical gym courses and whatever asshole organized the New Jersey DMV... oh, and just about every Jehovah's Witness I run into- those guys just get under my skin. But physical violence is something which does not come easily to me.

Don't resort to physical violence. Instead, go knock on the doors of THEIR houses dressed in a burka and tell them the joys of joining the Taliban!

- A. I have been around here since May 2002 under this moniker. (Started on the old boards, which I doubt you even know existed.)
 - B. You and I are hardly the only Kirby's around. (I stole my moniker from my daughter's dog, after 1/2 hour of trying to get a freaking online name that wasn't taken by everyone else. you were gay enough to pick the actual pink blob on PURPOSE.)
 - C. Post count.
 - D. Registration date.
 - E. Go back to your game-boy color.

Aircraftkiller: I'd actually kill you

Aircraftkiller: Just put a knife into that nice little artery on the side of your throat and rip it upward towards your face, severing any vital connections between your brain and your spine

Aircraftkiller: Though I'd feel sorry that I had to do that to anyone.

Aircraftkiller: Enjoy the mental imagery, I'm sure you'll find a way to use it somewhere.
