Invader! I think we deserve one.

Although I would like to respectfully ask for an update, I don't think anyone can claim to "Deserve" one.

The RenGuard team have probably collectively devoted many (wo)man months to the project.

Assume a cheap consulting rate of \$100/hour and a 40 hour week and you have at least \$50,000 worth of work.

Only a few people can honestly claim they have devoted that much to the Renegade community.
