Your opinion is not wanted on our music likes/dislikes.

BTW Evo you've been discredited just about everywhere because well you cna be very annoying.
So stop this posts about people chickening out and being 0wned by you. For they are simply false
statements.

U're right about that, but not "wox suck". suck compared to +CE+, maybe. they're still in the top 5.

Evo, you can't spell or make sense.

And I fail to see why the whole world needed to know about how that particular clan is scared of
you so much that they refuse to play you.

And posting under 2 nicks just makes you look more like a noob.
