Man, I hope your Republican appointed, Bush administration bosses don't get a load of your left leaning, liberal criticisms here.

I'm not adressing the obvious satirical nature of the website. I am adressing a pattern of behavior from hareless.

Ha ha...ha? Was this supposed to be funny? It came off as more stupid than funny. :rolleyes:

What are you doing cruising around on those kinds of websites anyways? Don't you know they cause blindness from looking at too much stupidity?

Actually, the senator who put me up is a Republican but I choose who I support not on the basis

of party affiliation but track record and what they want to do. I am an independant who votes with my brain rather than which way a party tells me too.

In any case Bush is way to easy of a target.
