Hey everybody, ModernWarfare needs help. We need 2 good scripters(preferably dante and laubei) 3 very good skimmers, who can skin accurately, weapon and infantry boners, and infantry modelers. Also people who can do animations like reload animation and all, will; be gratly accepted. Thanks evrybody!

Dante and Lauebi are probably too busy to help. All we need is skimmers.

Please correct the many errors in your post.
