<torrobot> SoQRebo: no refil
<torrobot> Host: [BR] Read the rules SoQRebo...refilling IS allowed! It offsets your advantage of base/spawn killing.

This is really really annoying now.
A m8 of mine is hosting a 14p sniper only server (with the sniper mod) and REFILLING IS NOT ALLOWED

How do you change this message? Or disable it, its really annoying.
How can anyone think refilling is allowed in a sniperonly game lol, it offsets your spawnkills? LOL !!!
