ok i have been searching for mods for renegade and so im gona ask here are there any total conversions for renegade based off

command and conquer generals, warcraft, starcraft, starwars, any modern military that includes aircraft.

if there are any good mods please give me links.

thanks for responses

my bro says there is a generals mod but wont link me and if there are anyother ones i would be happy for links

(it would be nice if you give me links to any mod that is in open beta or already done and i already have renalert)

cool generals mod

only problem is i dont even know what language it is but somehow i can figure it out how to get to screen shots and stuff

(i only know english and leet)

E!www.scud-storm.tk we still got no open beta but should come soon...

Are you guys ripping the models from Generals directly into Rengade?

You know that isn't gonna look very pretty, correct?

Wood don't rust, but you can get rust on it..

Fill can with water, put iron nails in can  
place spoon in can, wait 2 weeks, \*poof\* rusted wooden spoon!

---
