OT: Is English your first language?

I've seen that site before, quit a nice collection. Some on the tracks have some bad sound quality, but it's free so I shouldnt be complaining.

It wasn't made by Westwood Studios....It was by a fansite that is now shut down (can't remember its name), and Frank helped with it or something. I don't know, so long ago...

The sites name was Westwood Infiltration.

kaboomer2, there's a button to the right of the ignore button that looks something like this:

Use that instead of triple posting. It helps a lot and stops you from raising your unimportant post count.

To further refine SeaMan's post...

Frank Klepacki's Jukebox.
