What shows would you like to see back from being cancelled and shows that you wish would just be cancelled already.

Bring Back:

Dark Angel (even tho it WAS getting kinda corny)

Family Guy (THE best show)

Beavis and Butthead (comic and sexual inuendo genius)

To Cancel:

Arrested Development

Fear Factor

Bachelor (and Bachelorette)

Extreme Makeover

Edit:

Bring Back: Greg The Bunny, Titus, Inside Schwartz, Futurama (How could I forget?)

CANCEL: ALL REALITY SHOWS

Family Guy is coming back for a new season. And yes, it is the best show ever.

A show that I never heard of until it got cancelled (MST3K) should come back. Any show that can be described with reality needs to go.
